

# QI

## Network Event

In order to ensure the long term resilience and sustainability of general practice, Quality Improvement Support Teams (QISTs) are being developed.

In alignment with this development, a North London Partners QI Network across NCL has been established.

### WE INVITE YOU TO JOIN THE NORTH LONDON PARTNERS QUALITY IMPROVEMENT NETWORK EVENT!

The network will provide you with the opportunity to meet likeminded people, receive useful information, hear about new ideas and support you to put them into practice either individually or as part of your local QIST.

### FOCUS OF THIS EVENT WILL BE “RESPIRATORY”.

Event will be held
